

Joint de.KCD & 8th de.NBI Cloud User Meeting

Sep. 30th – Oct. 2nd, 2025, Berlin, Germany

**Register by:
Sep. 19th 2025**

This year, de.NBI Cloud is teaming up with the [Jülich Supercomputing Center](#), [de.KCD](#), and [BIH/Charité](#), offering a mix of courses for trainers, beginners and advanced users and providing opportunities to engage with experts on diverse cloud computing topics. The de.NBI Cloud User Meeting will be held as an in-person event, all courses and presentations will be given in English. Participation is free of charge but requires registration.

Don't miss the keynotes on health and sensitive data related topics by our speakers Prof. Fabian Praßer, Dr. Peter Brunecker and Dr. Sven Twardziok (all BIH/Charité).

The de.NBI Cloud User Meeting provides hands-on, interactive tutorials that equip you with the necessary know-how to get your projects started on the de.NBI Cloud and JSC HPC environment.

We look forward to welcoming you in Berlin!

Topics: Getting started with SimpleVM, Introduction to Supercomputing, DevOps with Kubernetes, Ansible, Terraform, OpenStack and BiBiGrid, Workflows with CWL, Snakemake & WESkit, RDM and JupyterHub in the cloud, Document processing with LLMs.
